## Education

2022–25\*      **M.A.**, Health Economics, Wuhan University  
2017–21      **B.E.**, Printing Engineering, Wuhan University

## Research Interests

**Area**            Public Policy, Labour Economics, Health Economics  
**Topic**           Disease Control, Fertility Choice

## Publications

 [Google Scholar](#)

## Journal Articles

**Zhang, Tianlei**, Yihua Zhou, and Sheng Cao. “Advances in Application of CDs Fluorescent Probe in Rapid Detection of Agriculture Products”. *Packaging Engineering (In Chinese)*, vol. 41, no. 03, 2020, pp. 82–91. <https://doi.org/10.19554/j.cnki.1001-3563.2020.03.013>.

## Working Paper

Guo, Min, Jingwei Huang, and **Tianlei, Zhang**. Tuberculosis Testing and Treatment: Lasting Effects of In-Utero Exposure. *Working paper being prepared for submission to JHE*, 2024.  
———. White Death in Developing Countries: Evidence from a Tuberculosis Control Program in China. *American Economic Journal: Economic Policy*, under review, 2024.  
Guo, Min, Jingwei Huang, Fenghang Li, Xun Li, and **Zhang, Tianlei**. Living Environment Improvement and Human Capital Accumulation: Evidence from A Schistosomiasis Control Policy in China. *Previously under review at American Journal of Agricultural Economics*, 2023.

## Presentations

### Talks

[A simple python tutorial](#). At Wuhan University (invited by Prof. Xun Li). July 2024.

---

\*Expected.

## Web Data Crawl

<sup>†</sup> Sample datasets can be downloaded from <https://ynbsztl.github.io/data/>

**Dianping**<sup>†</sup> Restaurant review data from a leading application

200,000 observations in Wuhan, covering the period from 2022 to 2024

**Peoples Daily**<sup>†</sup> Official newspaper of the Chinese Communist Party (CCP)

Daily reports spanning from 1946 to the present

**Baidu Index**<sup>†</sup> Comparable to Google Trends

Daily data with nationwide coverage across all cities in China, from 2011 to present

## Teaching

**Teaching assistant**

**Wuhan University**

Fall, 2024      2024 MIB quantitative analysis (Masters).  
Instructor: Prof. Xun Li, Wuhan University

## Awards & Honors

2024	Postgraduate Excellent Academic Performance Scholarship (¥2000)
2022-24	Postgraduate Academic Performance Scholarship (¥8000)
2020	Wuhan University Academic and Technological Innovation Scholarship (¥3000)
2019	The 2 <sup>nd</sup> National Golden Printing Cup University Technological Innovation Competition, 3 <sup>rd</sup> Prize. (¥1000. Lead. Advisor: <a href="#">Prof. Yihua Zhou</a> )
2018	The 1 <sup>st</sup> National Golden Printing Cup University Technological Innovation Competition, 3 <sup>rd</sup> Prize. (¥1000. Lead. Advisor: <a href="#">Prof. Yihua Zhou</a> )

## Tools & Software

**Languages**

L<sup>A</sup>T<sub>E</sub>X, Stata, Python, R, Matlab, SQL

**Software Skills**

Adobe series (Ps, Au, Pr, etc.)
